## Press Release

The **International Taekwon-Do Foundation of New Zealand Inc (ITFNZ)** and its members disassociate itself from recent reports relating to Logan Campbell and his involvement in the New Zealand 'Sex' industry. Mr Campbell is not a member of ITFNZ.

We understand he is associated with 'Taekwondo New Zealand' (TNZ). ITFNZ has no links to this organisation.

The 'sport of Taekwondo' at the Olympics is controlled by the **World Taekwon-Do Federation (WTF)**. It is totally separate from the version of Taekwon-Do as created by its founder, the late General Choi Hong Hi.

ITFNZ is affiliated to the **International Taekwon-Do Federation (ITF)** which was originally formed in 1966 under General Choi. The current ITF Taekwon-Do President is Grand Master Trần Triều Quân from Canada who has in recent years been at the forefront of the development of ITF Taekwon-Do as a disciplined martial art, a sport, a way of life and a tool for social development. This is now an integral and vital part of the teaching syllabus for the ITF and its affiliated National Organisations including ITFNZ.

Yours truly,

Master Evan Davidson  
President
